

Good morning, Dr. Hill,

Stateline, Florida

being to deliver my message.

Thank you for ac

Dear Board of Trustees,

To the

My way of life on campus. Even though I was a 2nd generation

she assisted me in navigating my new

major from Dietetics to Food Science so that I could increase my scholarship and work study

my m

During my Freshman year at Tuskegee, I remember being exempted from a 2nd course

and make the best decision for me at the time. It was

and make the best decision for me at the time. It was this day, and that is how to evaluate an issue

that I have learned the hard way. I have learned that you have to evaluate an issue

which represents 3 generations of TU Alumni in the families of my husband and I. The

Tuskegee

that it will continue to support the educational success of future Board and Nutritional

our hope
