 Oral Presentation, by Aiesha Ethridge, at the Joint Annual Research Symposium, Tuskegee, AL

and exchange of hypothestinased
research on interventions and initiatives
that broaden participation in science and
engineering research careers. The
conference is designed to create a
dialogue among behavioral/social soiten
and education researchers, evaluators,
and faculty in STEM fields who participate
in intervention programs.

UnderrepresentedMinorities in STEM(T- PAC	as a forum to share efforts to address STEM teacher preparation, inequity and diversity issues in STEM education and related areas. Our presentation consistent of a detailed overview of the-IPAC program.
